Out-of-network Benefits

While 95% of our members choose a VSP network doctor to maximize their benefits, you can choose to see an out-of-network provider, including national or local retail chains. However, your coverage with out-of-network providers is less than when you see a VSP network doctor. If you decide to see an out-of-network provider, review your benefits at vsp.com. You may also use an affiliate provider at Costco®/Sam's Club®/Walmart®. Affiliate providers are considered an out-of-network provider. Though services will be reimbursed at the Open Access Reimbursement Schedule (below), Affiliate providers can submit claims on your behalf directly to VSP.

Open Access Reimbursement Schedule:
