The following Delta Dental and VSP Vision plans are available to groups of two or more employees.

We offer three types of Delta Dental Plans

Delta Dental Premier Plans

While most indemnity plans are not supported by a dental network, Delta Dental Premier is a network-based indemnity product. This means that enrollees who choose to visit a Premier network dentist will on average have lower out-of-pocket costs than with other carriers' non-network-based indemnity plans. Not only does Delta Dental Premier offer enrollees the freedom to visit any dentist, it also provides meaningful quality and cost protections. Since Delta Dental Premier Dentists agree to accept fees that are generally lower than average submitted fees for an area, a Delta Dental Premier plan can potentially provide savings for both employers and employees alike.

PPO Plus Premier Plans

With PPO plus Premier - Delta's unique PPO plan design feature - employers can take advantage of the savings from the PPO plan while providing employees with expanded access to Delta Dental dentists who can limit their out-of-pocket costs. Delta Dental PPO plus Premier combines the PPO and Premier networks to maximize opportunities to save money. PPO dentists accept fees that are more deeply discounted than the fees accepted by dentists who participate in the larger Premier network. Employees who visit a non-PPO dentist can save more by visiting a Premier dentist than they can by visiting a non-Delta Dental dentist. PPO plus Premier provides maximum network access while offering deeper savings within the PPO network and a level of cost protection with the Premier network.

Dental Dental PPO dentists are in-network and are reimbursed at the lesser of the submitted charge or the PPO provider's contracted fee. Delta Dental Premier dentists are out-of-network and are reimbursed at the lesser of the submitted charge or the Premier provider's contracted fee. Non-contracted dentists are out-of-network and are reimbursed at the lesser of the submitted charge or the fee that satisfies a majority of the dentists with the same training and geographical area.

PPO Classic Plans

Delta Dental PPO is Delta Dental's preferred provider organization program. The program provides maximum benefit when you visit a PPO Dentist. PPO dentists are Delta dentists who have agreed to charge PPO patients reduced fees. Under the PPO program, you may visit any licensed dentist you wish. However reimbursement will be based on the PPO provider's contracted fee both in and out of network. 69% of California dentists are Delta Dental Preferred Providers.

Delta Dental Premier Plans

You have the option of visiting any dentist, but if you visit a Delta Premier Dentist you'll enjoy the advantage of prenegotiated fees and convenient claims handling.

VSP WellVision Exam[®]: A WellVision Exam is more than just a quick eye check. It focuses on your eye health and overall wellness. VSP network doctors get to know you and your eyes. They take the time to look for vision problems and signs of other health conditions too.

Prescription Glasses. Lenses: Glass or plastic, single vision, lined bifocal or lined trifocal prescription lenses are fully covered. Your dependent children are eligible for fully covered polycarbonate prescription lenses. **Frame:** When visiting a VSP network doctor you'll have a \$300 allowance toward your frame. If you choose a frame over the plan's allowance you will receive a 20 % savings on the amount over your frame allowance. Costco[®] Optical allowance of \$165 is equivalent to the frame allowance at VSP doctor locations and participating retail chains.

Contact Lenses: Instead of eyeglasses (lenses and frame) elective contact lens materials are covered in full up to \$300 toward any type of prescription contact lenses. Necessary contact lenses are fully covered for those who have specific conditions for which contact lenses provide better visual correction. \$60 is the maximum a provider can charge to fitting and evaluation. *Contact lens frequency is the same as lenses.*

Laser VisionCare Program: We have negotiated special pricing with participating centers, which can add up to hundreds of dollars in savings for VSP members. Contact the centers near you to learn more about their pricing.

Value-Added Discounts:

Glasses and Sunglasses - All popular lens enhancements are covered after a copay, saving members an average of 35% - 40%. You also get 30% savings on additional pairs of prescription glasses and sunglasses (lenses and frame), including lens enhancements, from the same VSP doctor on the same day as your WellVision Exam, or get 20% savings from any VSP doctor within 12 months of your last WellVision Exam.

Contact Lenses - You get 15% savings on your contact lens exam.

Low Vision Benefits and VSP Diabetic EyeCare Program are also included. Please view a Certificate of Benefits for more details.

Suncare Enhancement: You can use your frame allowance toward non-prescription sunglasses from your VSP network doctor's frame board, exhausting both your lens and frame eligibility.

How does the plan work? Find the right VSP doctor for you. The VSP Signature Plan is a full-service plan with choice, flexibility and maximum value from VSP network doctor or participating retail chains. You'll find plenty to choose from at vsp.com or by calling **800-877-7195**.

Already have a VSP network doctor? At your appointment tell them you're a VSP member. That's it! VSP and your doctor handle the rest. Visit vsp.com to see your benefits anytime and check out how much you saved with VSP after your appointment.

Plus, your satisfaction is guaranteed. If you see an out-of-network provider you'll typically pay more out-of-pocket. You'll pay the provider in full and have six months to submit a claim to VSP for partial reimbursement less copays. Before seeing an out-of-network provider call VSP Member Services at **800-877-7195**.

Eligibility will not be reported unless premium for the month is fully paid. Return checks are subject to a \$20.00 fee. A monthly administration fee of \$10.00 is charged to all groups of less than 20 enrolled employees.
