

## Welcome to VSP® Vision Care Signature Plan.

We're so happy you're a member. Your eyes are amazing and we'll treat them amazingly well. We're committed to keeping you and your eyes healthy year after year.

### Using your VSP vision benefit is a breeze.

- **Find the right VSP doctor for you.** You'll find plenty to choose from at [vsp.com](http://vsp.com) or by calling **800.877.7195**.
- **Already have a VSP doctor?** At your appointment, tell them you're a VSP member, the covered member's social security number or alternative identification number, and Small Business Benefit Plan, Group Number 427401 or 12318436, provides your coverage. Your VSP doctor will contact VSP to verify your eligibility, plan coverage, and obtain authorization for services and eyewear.

At your appointment, your VSP doctor will provide a WellVision Exam® that focuses on your eye health and overall wellness and determine if eyewear is necessary. VSP will pay the doctor directly for covered services and materials. You're responsible for paying the doctor, applicable copay(s), and any additional costs resulting from cosmetic options, or non-covered services and materials you have selected. Selecting a VSP doctor assures direct payment to the doctor and guarantees quality care and materials.

- **Check out your coverage and savings.** Visit [vsp.com](http://vsp.com) to see your benefits anytime. After your appointment, check out how much you saved with VSP coverage.

That's it! Your VSP doctor and VSP will handle the rest. No ID card necessary or claim forms to complete when you see a VSP doctor.

## SCHEDULE OF BENEFITS

Benefit	Copay	Frequency
WellVision Exam	No copay for exam and glasses	Once every 12 months
Prescription Glasses		Once every 24 months
<ul style="list-style-type: none"> <li>• Lenses</li> <li>• Frames</li> </ul>		Once every 24 months
Contacts (instead of glasses)	No copay	Once every 12 months

### WellVision Exam

A WellVision Exam is more than just a quick eye check. It focused on your eye health and overall wellness. VSP doctors get to know you and your eyes. They take the time to look for vision problems and signs of other health conditions too. Your doctor will examine appropriate visual functions and recommend prescription eyewear, if necessary. Each covered person is entitled to a WellVision Exam as indicated on the cover sheet of this Certificate.

### Prescription Glasses

- **Lenses:** Your VSP doctor will order the proper lenses necessary for your visual welfare. The doctor shall verify the accuracy of the finished lenses. Each covered person is entitled to new lenses as indicated on the cover sheet of this Certificate. If you choose non-covered lens options, they may result in additional costs.
- **Frame:** You get a \$150 allowance toward the frame of your choice. You'll also receive 20% off the amount over your allowance. Your VSP doctor will assist you in finding a frame, properly fit and adjust the frame, and provide subsequent adjustments to your frame to maintain comfort and efficiency. Each covered person is entitled to new frame as indicated on the coversheet of this Certificate.

### **Contact Lenses (instead of glasses):**

You can either choose contact lenses or prescription glasses. You'll receive a \$120 allowance that is applied toward both your contact lens exam (fitting and evaluation) and your contact lenses. The contact lens exam ensures proper fit of your contacts and is in addition to your WellVision Exam. It's essential to check for eye health risks associated with improper wearing or fitting of contacts, because if left untreated they can affect the overall health of your eyes. New and current contact lens wearers may qualify for a program that includes a contact lens evaluation and initial supply of replacement lenses. You're responsible for any costs exceeding the allowance. Remember, if you choose contacts, you're not eligible to receive lenses and a frame during the same service period.

**Necessary Contact Lenses:** Covered in full less applicable copays, when prescribed by a VSP doctor for one of the following conditions: following cataract surgery; to correct extreme vision problems that cannot be corrected with prescription glasses; with certain conditions of anisometropia; or with certain conditions of keratoconus. Your VSP doctor must secure prior approval from VSP for medically necessary contact lenses.

### **Laser VisionCare Services:**

If you're tired of wearing glasses and contacts, VSP's Laser VisionCare Program<sup>SM</sup> could be just what you're looking for. If you're nearsighted, farsighted, or have astigmatism, are at least 18 years old and in good health with no eye diseases—you're a potential candidate for laser vision correction. Since laser vision correction is a surgical procedure, the decision to have it should be made carefully. Follow these steps to learn the facts and find out if it's right for you.

1. **Visit [vsp.com](http://vsp.com).**
  - Get details about the program and laser vision correction.
  - Learn what to expect during surgery.
  - Download questions to ask your VSP doctor.
  - Review and download Frequently Asked Questions about the procedure.
  - Find a VSP Laser VisionCare doctor.
2. **Confirm your eligibility.**

Before scheduling an appointment, log on to [vsp.com](http://vsp.com) or call VSP Member Services at **800.877.7195**.
3. **Call your VSP Laser VisionCare doctor.**

Verify that the doctor participates in the program.
4. **Schedule a complimentary screening with your VSP LaserVisionCare doctor.**

The laser vision correction screening and consultation with your VSP Laser VisionCare doctor are complimentary. If you have a pre-operative exam and don't proceed with the surgery, your VSP doctor may charge an exam fee up to \$100.

If you decide to have laser vision correction, your VSP Laser VisionCare doctor will make arrangements with an approved laser surgeon and center and pre-operative care. Post-operative care is coordinated between your VSP Laser VisionCare doctor and your VSP laser surgeon.

### **VSP Discounted Pricing**

You'll save an average of 15% off the regular price at contracted laser centers or 5% off of the center's promotional price—which could add up to hundreds of dollars in savings.

The VSP Laser VisionCare Program is a discount plan only. Discounts only apply to services received from a VSP participating laser center. No monetary benefits are payable to members under this program.

### **Value-Added Discounts**

**Contact Lenses:** You get 15% off your contact lens exam.

**Glasses and Sunglasses:** You get an average 35-40% savings on all non-covered lens options, like progressives and anti-reflective and scratch-resistant coatings. You also get 30% off additional pairs of prescription glasses and sunglasses (lenses and frame), including lens options, from the same VSP doctor on the same day as your WellVision Exam. Or get 20% off from any VSP doctor within 12 months of your last WellVision Exam.
